

Division 22 Standards for Public Elementary and Secondary Schools

2019-20 Assurances Report

By November 1 of each year, school district superintendents are required by [OAR 581-022-2305: Operating Policies and Procedures](#) to report to their school board the district's standing with respect to all of the Standards for Public Elementary and Secondary Schools as set out in Oregon Administrative Rules Chapter 581, Division 22. For the 2019-20 school year, the State Board of Education adopted [OAR 581-022-0103: State Standards for the 2019-20 School Year](#). This rule established a streamlined set of Division 22 standards in effect for the 2019-20 school year, accommodating for the shift to emergency distance learning in response to the COVID-19 pandemic. For the 2019-20 school year, school districts are required to report on the Division 22 standards included in OAR 581-022-0103; any standard not included in this rule is waived for the 2019-2020 school year.

Below is a summary of Colton School District's compliance with each of the standards included in [OAR 581-0103: State Standards for the 2019-20 School Year](#). For each standard reported as out of compliance, Colton School District has provided an explanation of why the school district was out of compliance and the school district's proposed corrective action plan to come into compliance by the beginning of the 2021-22 school year.

Explanation: Due to the COVID-19 Pandemic and the Executive Order by the Governor to close schools to in-person learning, the CSD could not complete evaluations in process. The CSD student services team did not meet the due process timeline of 60 days for the initial evaluation process. Initial evaluations call for in-person evaluation, and in-person activities were not allowed within the timeline.

Proposed Corrective Action: The student services team is completing in-person evaluations now. Any evaluations in process from the 2019-20 school year are the first in-person evaluations in the 2020-21 school year. The Colton School District has developed a system to monitor due process timelines and shortened the 60 day window to 50 days to allow flexibility in circumstances that may interrupt any process.
