NEW ANNOUNCEMENTS

Note From The Principal

Dear CES Families:

Greetings to all of you. My hope is that you are all well, and getting back to normalcy. I am so grateful for all of those of you who risked your lives to help out with the forest fires. Thank you for your herculean efforts in saving our town.

As you know, we launched our Comprehensive Distance Learning (CDL) on Monday, September 28. Our goal was to reach out to everyone of our students and connect with them. We care so much about them and we will do our best to provide meaningful lessons during this CDL model.

As we move forward into this new school year, it is my hope that we will soon return to in person learning. We will do so when we are allowed to do so, and we will ensure that safety measures are in place to protect our children and staff.

We truly appreciate your patience and understanding during these crazy times. Working together, we will overcome most situations that come our way. We are Colton Strong!

Respectfully,

Mario Alba

Resources At A Glance

FEMA Disaster Survivor Assistance (DSA) representatives will be out in Estacada and Molalla starting 9/23, to assist residents in registering to obtain FEMA assistance.

Team 1 – Estacada, OR

Location: Estacada City Hall, 475 S.E. Main St., Estacada, OR 97023

POC: Melanie Wagner, 503-630-8270, wagner@cityofestacada.org

Team 2 – Molalla, OR

Location: Molalla River School District – Community Gym

412 S. Sweigle Ave, Molalla, OR

M-F 9am-6pm. Sat. 9am-noon

Materials and Math Workbook Handout Schedule

Monday, October 5 and Tuesday, October 6, from 7:30AM-6:30PM, we will be handing out various class materials and math workbooks. This will be a curbside pick up, so please stay in your car and we will bring the materials to you.

Robo Call for Absences

Our school absence Robo Call system will be sending automated messages to families when students have not checked in during their synchronous meeting with teachers. We realize that some families will be doing their school assignments during the asynchronous time or evenings. The automated system will still put out the call, however the attendance system will be adjusted the following day to remove the absence if the student does check in at some point on that date.

2019/2020 Yearbooks

All 2019/2020 CES students should have received a yearbook last year free of charge because of the unfortunate early closing of school due to the CoronaVirus. We, as a staff, felt it would be a great way to use some of our fundraising monies to benefit all of the wonderful students at Colton Elementary! A special thank you to Mrs. Brownson for collecting all of the great pictures to show off all the fun we had together, and designing this yearbook for all of us to enjoy! If you were not able to pick yours up in June, please let us know when you pick up your materials and workbook this October 5 & 6.

Online Registration

This year Colton Schools launched an Online Registration System. It is accessible by a quick link on the colton.k12.or.us website under the Colton Elementary School tab. If you have not registered your child yet, please do so as soon as possible. It is important that this information is updated for your current year's enrollment. In addition to the online registration to participate in Google Classroom Hangouts, you will need to give permission on the Video Conferencing Permission Form. Here is the link you can copy and paste to access the CES Video Conferencing Permission form:

<https://forms.gle/8KJxsp6RdhkN5FQg8>

Breakfast and Lunch Information

Free breakfast and lunches are available for curbside pick up at the Colton High School from 11AM-1PM Monday-Thursday. A week's worth of meals will be provided at a time.

IMPORTANT REMINDERS

ALWAYS PRACTICE GOOD HYGIENE:

- Wash your hands, especially after touching any frequently used item or surface.
- Avoid touching your face.
- Sneeze or cough into a tissue, or the inside of your elbow.
- Disinfect frequently used items and surfaces as much as possible.

COLTON ELEMENTARY SCHOOL **KINDER CONNECTION**

Enroll Now!

Colton Elementary School offers full day kindergarten classes.

We are trying to locate all children in the school district that will be eligible for kindergarten this fall.

If you have, or know of a child who will be 5 years of age by September 1, NOW IS THE TIME TO REGISTER!
