

# Logging into Colton Google Classroom from Home PC 3/31/2020

Google Chrome is recommended for using Google products, but other browsers should work. (Chromebooks only require signing in at the login screen to use Google products, see the “Connecting Chromebook to Wifi” document on our district website).

1. Sign into Google with your Colton student account. The easiest way is to sign in on Google.com:

Google Search I'm Feeling Lucky

2. From here, you can directly browse to classroom.google.com:
