

CHS Newsletter

FINISHING 1ST QUARTER

TEACHING, LEARNING, SPORTS AND ACTIVITIES!

Hello CHS Families- Colton High School has been a busy place for September and October! Students and Staff have been working hard in the classroom and during sporting events and activities. CHS has wrapped up 1st Quarter, Homecoming, and both football and volleyball seasons. Students did a great job of showing a lot of school spirit during homecoming assemblies, during the football games and at the homecoming dance. Our Leadership students did a wonderful job planning and running

DON'T MISS OUR FALL PLAY: "THE MOUSE THAT ROARDED"

Performances

Thursday 11/8 @ 7:30 PM

Friday 11/9 @ 7:30 PM

Saturday 11/10 @ 7:30 PM

Thursday 11/15 @ 7:30 PM

Friday 11/16 @ 7:30 PM

Saturday 11/17 @ 7:30 PM

all aspects of Homecoming- their efforts are definitely appreciated. Winter sports program begins on Mon. Nov. 12, so please make sure you have all required paperwork completed and an updated physical turned into the office in order to practice. Our US History classes have been busy planning and preparing for our annual Veteran's Day Assembly on Nov. 8th. This is always a wonderful event that students look forward to. Staff at CHS are dedicated and willing to work hard to support all our students both in the classroom and out. While there has been a lot of change at the high school, our focus and passion has always been and continues to be, what is best for students and helping our students learn the skills they need to be successful now and in the future. If you missed our last newsletter, Staff at Colton High School are looking for ways to better serve students and parents. We would like to thank the parents for filling out the survey we provided. However we still have our survey up and would like to get additional feedback. If you ever have questions, please feel free to contact us. Have a wonderful start to the holiday season!

Sincerely, Grant Hayball

COUNSELOR'S CORNER

Welcome to the third month of school! These past nine weeks have flown by and the month of November will be a busy time full of many events.

Conferences provide a wonderful opportunity for teachers, students and families to work together in the best interest of student success. During conferences, I look forward to meeting with families as well. I will be available to answer questions and provide resources related to supporting students throughout their high school year(s) and beyond. Specifically for senior families, computers will be available for completing, or simply starting the process, of filling-out the FAFSA, Oregon Promise application, and/or OSAC registration. Paper copies of the FAFSA will also be available.

We have a fabulous opportunity for students to get the support they need through each step of their college and career planning, beginning as early as 9th grade. ASPIRE is a volunteer program that pairs students with community volunteers to plan and complete each step leading to their college and career goals. Permission forms are available in the College and Career Center and the Counseling Office. **We need volunteers** as well! So many students are eager to begin working with someone, so we need more volunteers for this to happen. Please view the following link to see what students have to say and contact me at holstl@colton.k12.or.us to find out more information and/or become an ASPIRE volunteer. <https://youtu.be/aEUt6CC8xmE?t=7>
FAFSA Link: OSAC/Oregon Promise Link:

<https://studentaid.ed.gov/sa/fafsa> <https://app.oregonstudentaid.gov/>

Please contact me if you have any questions or concerns. Working together can accomplish so much!

Sincerely,
Mrs. Holst
